

Z-Insurance Information and Form

AZUMA has created an innovative product replacement plan. If you lose or damage your lure we will send you a replacement lure for half the MSRP price of that bait. In most cases you will receive the exact same style and color, if the exact lure is not available you will receive a lure in the same style but and a similar color. In order to receive your replacement bait please mail the Z-Insurance form, UPC code from the original packaging, a copy of your original receipt, and a check made payable to AZUMA for 50% of the MSRP (please see chart below). This fee includes shipping & handling.
